Change the text of a button programmatically This is just a silly question that's probably been answered before but I haven't been able to figure it out. I want to change the text of a button when the user clicks on it, and want that text change to be retained when the app is run the next time. I want to change the text, not the text colour. Is this even possible? A: If you want the text to change when you click the button, then you can make the text colour change automatically like so: [button setTitle:[UIColor redColor] forState:UIControlStateNormal]; [button setTitle:[UIColor blueColor] forState:UIControlStateNormal]; [button setTitle:[UIColor greenColor] forState:UIControlStateNormal]; If you want to have some text in the button and then change it like you mentioned, then you could use something like this: UILabel \*myLabel = [[UILabel alloc] initWithFrame:CGRectMake(0, 0, 100, 40)]; [myLabel setText:@"Button"]; [myLabel setFont:[UIFont boldSystemFontOfSize:20]]; [myLabel setTextColor:[UIColor greenColor]]; [myLabel setTag:0]; [myLabel setBackgroundColor:[UIColor whiteColor]]; [myLabel setAlpha:0.6]; [myLabel setTextAlignment:UITextAlignmentCenter]; [button addSubview:myLabel]; [myLabel release]; ♦ a guest post on the blog of the TalkPoverty.org, and so on... will change everything. O caso envolve um processo de licitação para a construção de escolas no Rio Grande do Sul, responsável por sua saída da Esplanada dos Ministérios. O procurador Carlos Fernando dos Santos, do Departamento de Operações Estruturadas da Promotoria Central (DPE) de Minas Gerais, disse em nota que o primeiro caminho do caso é o "encontro das provas e o depoimento de testemunhas". O ex-ministro, que foi indicado por Dilma Rousseff para comandar o Ministério da Fazenda no governo da presidente cassada, é acusado de receber dinheiro de empreiteiras para terem participação no processo licitatório para a construção de escolas no estado gaúcho. Segundo o Ministério Público, Palocci tem a participação de Adriana Ancelmo e Fabio Olim, que seriam beneficiadas pelo pagamento de propina. O MPF informou que tanto o ex-governador de Minas, Fernando Pimentel (PT) quanto a própria Ancelmo, apoiaram o pagamento de R\$ 1,9 milhão de vantagem indevida.
